EMIL IS A REGULAR MR. SCIENCE?

Have spent the large part of the last hour pondering the truth of title of Emil's new book. This new project arrived today, badly wrapped in an envelop that I am sure Emil secured from his Virus Plague Lockdown Lodge's dustbin as even his local 7/11 would have not dared (with a straight face) sold him a soiled and ripped "Hello Kitty" envelop, at any price. First thing that struck me was the oddity of the title. Knowing that Emil is the sad product of a classic, public school education; I don't believe he learned that in school.

Anyway, Emil has collected a series of Hobo Tour Photos from several years ago. **Great NEWS: NO EMIL CHATTER!**
Just photos...OH MY!
